Sustainability Policy 2018

The Legian Seminyak, Bali is committed in improving our environment and working towards reducing our carbon footprint and giving the guest an environmental friendly and social responsible vacation.

The Legian Seminyak, Bali offers 67 luxurious suites, *The Beach House*, a three-bedroom villa with a private pool and direct access to Seminyak Beach. For those seeking further privacy, 14 Pool Villas set in a quiet estate called *The Club by The Legian Seminyak, Bali*. *The Legian Seminyak, Bali* is a member of *The Leading Hotels of The World*. The resort includes one restaurant, an elegant fusion of contemporary French and classic Asian named *The Restaurant*, two bars, *The Pool Bar* and *The Ocean Champagne Bar*. *Wellness by The Legian* boasts an array of facilities with *The Activity Lounge*, *The Studio*, *The Gymnasium powered by Technogym*, Heat facility with steam and sauna and a relaxation area. The resort has three swimming pools.

The Legian Seminyak, Bali is working towards reducing carbon footprint by introducing a number of sustainable initiatives:

- To promote awareness of sustainability to all employees, guest and the local community
- To source and purchase local produce
- To use natural, biodegradable alternatives where possible
- To improve energy usage in all areas
- To reduce the usage of single use plastic

The Legian Seminyak, Bali has set in motion a Green Team and is responsible for checking and creating new initiatives to drive us closer to achieve our goals. To educate our employees and local communities to strengthen the message, Reduce, Reuse and Recycle. We are members of Clean Seminyak-Petitenget, an organization geared towards saying NO to plastic and keeping our beaches and environment clean.

We believe, working together we can achieve our goals over a period of time and make a difference towards a greener and safer environment and protect our future generations.

Best regards,

Hans Joerg Meier
